About The College:

The Cardamom Planters' Association College affiliated to Madurai Kamaraj University started functioning from 1974. It has a significant part to play in providing collegiate education to the students of this educationally backward area. It is an institution under the Cardamom Planters' Association, Bodinayakanur. The College is co-educational. It is non-communal and non-sectarian. It offers a well integrated scheme of formal instruction, mentor system and personal guidance. It prepares the students for various opportunities in the areas of higher education and rural uplift.

The College has a campus of more than 42 acres nestling in the foothills of the beautiful Western Ghats. It is about three kilometers west of Bodinayakanur town and is on the Bodi – Munnar National Highway. The imposing buildings of the college view with the tall mountains nearby.

State of the art laboratory, library, separate hostel for boys and girls, beautiful playground, modern gym, indoor stadium for badminton, volley ball and basketball, Career guidance and placement cell, Remedial Coaching, IAS academy, UGC NET / SET coaching facilities and other facilities are available highlights of the Institution.

Vision

Established with a view to propagating the fragrance of higher education, our institution strives for academic excellence.

Mission

- To lend a hand of academic support to the economically under privileged
- To help the students shake off the burdensome tag of social backwardness
- To impart learning of a kind that adds strength and competitiveness to the students.
- To provide value- based and quality –centered education and research programmes.
- To motivate the students to shape their own future on the wings of their dreams
- To enable the students to evolve into worthy Indian citizens.
